An established GT7 creator. A championship to match.

SparksTheory is a **38.9K-subscriber** Gran Turismo 7 channel with **1.7M+ views**. GTEC is the season-long endurance championship it runs and broadcasts live, week after week. Together they give a brand something a single sponsored post can't: an **ongoing, ownable property** in front of a young, hardware-hungry sim-racing audience.

THE AUDIENCE

Not just viewers.

Who they are

- ▶ Dedicated Gran Turismo 7 players on PlayStation 5
- ▶ Sim-racing enthusiasts who own, and upgrade, wheels, pedals, rigs and cockpits
- ▶ Highly engaged: they follow a whole season, not a single clip

Why brands want them

- ▶ High purchase intent for sim hardware & peripherals
- ▶ Repeat exposure across a whole season, not one video
- ▶ A trusted creator's endorsement, in context, mid-race
- ▶ A natural fit for hardware, **energy, coffee & lifestyle** brands
